Our goal is to raise awareness and funds for the Locks of Love organization and to have 600 ponytails by February 2004. With children waiting to receive hair pieces, we want to make sure no potential donation ever hits the ground and ends up in a trash can. It takes 14 ponytails of 10 inches long to create one custom-fitted, handmade hair piece for a child with permanent medical hair loss.

SOME WAYS YOU CAN HELP....

- ♥ Grow your hair to be harvested and donate it to Ponytail Roundup or directly to Locks of Love.
- ♥ Make a cash donation to "Ponytail Roundup" at any branch of the Columbia River Bank.
- ♥ Help promote Ponytail Roundup by copying this flyer and distributing it to friends, hair salons and other businesses in your area who might be willing to help.
- ♥ Arrange for a Cutting Rights Benefit Auction for your organization.
